WINE AND HORS D'OEUVRES WILL BE PROVIDED

MEET ALEX

Alex is a kind, energetic, loving, and determined 7-year-old who has a contagious laugh and smile. Alex also has autism, is hard of hearing, and he deals with Sensory Processing Disorder daily. He was born with a number of congenital anomalies, making for countless doctor appointments and medical procedures.

Despite facing physical, emotional, and learning challenges, Alex is tenacious and gives his all everyday. He is an affectionate big brother to two siblings, and he is very proud and protective of them. Mickey Mouse has been his buddy since he was a baby, and he loves all things Disney. He's a wiz with anything digital, and he also loves music, biking, puzzles, camping, swimming, taking pictures, and watching home videos. Nature is his playroom, and he never forgets to point out the clouds and admire flowers we pass on our walks. Alex longs for friendship and quickly loves those who take the time to know him and interact in a way that's meaningful for him.

It will cost the 4 Paws for Ability Organization \$22,000 to place a dog with Alex. We are committed to raising \$15,000 in support of the 4 Paws mission, and we can only reach our goal with your help.

Please consider donating to this amazing organization in honor of Alex. We thank you from the bottom of our hearts for any support you can give!

Love,
Steve, Jessica, and Alex Kimball
